**EMPOWERING NATIVE MISSIONARIES**

# EXECUTIVE DIRECTOR'S NOTE

Do you understand whose you are? When we ask Jesus Christ to be our Lord and Savior we are saved and filled with the Holy Spirit. Think of it, we have a part of God living within us and empowering us. This should cause us to walk, talk, think and expect differently! Many believers do not fully understand the power to pray and command those things that God has shown and taught us in his Word.

When you give financially and send books you are giving people the ability to be fully equipped to be saved and soul winners. When you and I are serving, living and giving as God instructs there should be a peace that surpasses all understanding in our lives.

Do you want that peace? Then live and give to God as he has instructed.

Proverbs 3:9 states, "Honor the Lord with your possessions, and with the first fruits of all your increase; Jesus, the Holy Spirit and our Father are always giving beyond the norm."

We now have the opportunity to print our very own Mission Cry Bible at a low cost. Only \$2 per Bible will cover both print costs and shipping costs to get the Bible into the hands of someone across the globe.

When we get beyond the norms of living and giving to the point it is sacrificial, you begin to position yourself for favor. Thank you for helping people around the globe freely get a Bible and Christian book, which allows them to meet HIM, the guilt eraser and the grace giver.

I pray God's favor on you and yours,

Rev. Jason Woolford
